**PointSource to Speak at IMPACT 2009**

Las Vegas, NV. May 5, 2009 – Please join PointSource and embrace change at IBM Impact 2009 - The Smart SOA Conference in Las Vegas May 3 through May 6 at the Venetian Resort Hotel Casino. As a Sponsor, we'll discuss the adoption of green IT and how to align these initiatives with your business goals for maximum impact on optimizing business processes and cutting costs in 2009 and beyond.

PointSource's green BPM software solutions enable more than 1,500 facilities in 40 countries to globally manage corporate environmental, health & safety affairs, providing easy integration with SAP, Portals and other information management systems utilizing IBM's integration toolkit. Service-oriented Architecture (SOA) enables less customization and enhances reusability, assuring business continuity and enhanced ability to do more with less. These solutions provide full integration with the IBM BPM suite of products including Business Monitor and Business Space. PointSource is listed as one of the top five System Integrators globally with experience utilizing IBM's entire BPM stack.

"From the inception of this application, we have partnered with IBM to utilize their BPM and SOA Suite of tools to deliver the results our customer and their clients expect. We are excited to deliver this next generation of our solution with the customer service, agility and accountability that PointSource's clients are accustomed to", says Chris Hugill, President of PointSource.

Impact 2009 includes several exciting Keynotes - delivering the best in Thought Leadership & how to use SOA to buck today's economic trends. Learn ways to reuse existing investments, cut costs, and increase revenues. Gain practical knowledge about BPM enabled SOA approach to help you prepare your action plan and achieve real, measurable business outcomes for your organization.

For more information about our BPM enabled by SOA solutions, please contact us at 1-877-843-7481 or marketing@pointsourcecellc.com.

If you're attending the conference, don't forget to visit us at BOOTH #E14
